

CSE 5301

Assignment 0

Please read the following carefully and put your name and ID number to acknowledge that you have understood it.

Attendance Policy Acknowledgement:

Students are expected to attend all classes and meetings. Any material that the student missed will not be covered again in class. If the student is unable to attend a class due to personal reasons, it is the student's responsibility to use the slides posted online or the lecture videos on blackboard and the textbook to learn the content and to meet with either the Instructor or the TA to clarify any doubts. At random points during the course, I will make roll-calls during the course. If the student misses 3 roll calls, the student will receive an F for the course for non-attendance. The dates for all the exams are subject to change (especially Exam 3 are tentative and subject to change by either me or the university). Students are expected to be available till the last day of finals week. No accommodations will be made if the student will miss an exam due to making travel plans before the last day of finals week.

As a student enrolled in CSE 5301, I will adhere to the attendance policy given above

Name:

ID Number:

Honor Code Acknowledgement:

I pledge, on my honor, to uphold UT Arlington's tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

As a student enrolled in CSE 5301, I will adhere to the UT Arlington Honor Code given above

Name:

ID Number:

Late Assignment Policy Acknowledgement:

*Assignments submitted late will be penalized, at a rate of **2 penalty points per hour**. The submission time will be the time shown on the Blackboard submission system. **Any assignment submitted more than 12 hours late will receive no credit**. Exceptions will only be made for documented emergencies, in strict adherence to UTA policy. Computer/Network crashes are **NOT** an acceptable excuse for late submissions. To avoid problems with such crashes and last-minute problems, students are encouraged to submit early. You can always revise your submission till the deadline. If you are unable to work on/submit an assignment due to a valid documented reason (illness, critical family emergencies, military service obligations, observance of major religious holidays, and certain university service commitments) a makeup assignment will be provided that will be due during finals week.*

As a student enrolled in CSE 5301, I have read and understood the late assignment policy described above

Name:

ID Number:

Exam Policy Acknowledgement:

*There are three exams. Each will cover all material that has been covered in class till that point. Later exams will cover more of the material that was not covered in previous exams. The exams are closed book. You will need a scientific calculator (non-graphing, non-programmable) for doing calculations. Formula sheets may be provided for the exam (will be provided beforehand in class for review). You are also allowed 2 pages of notes. No other material allowed. **Violations will be considered cheating and penalized as such**. No exam scores will be dropped. Absence from exams may be excused, with appropriate documentation, for illness, critical family emergencies, military service obligations, observance of major religious holidays, and certain university service commitments. Car or transportation problems will **NOT** be considered a legitimate reason to miss an exam. Requests for excused absence, and documentation for such absences, must be provided as soon as possible. In this scenario, a makeup exam will be setup and conducted by the instructor. **Even if the reason for an absence is valid, a request for an excused absence will be rejected if provided unjustifiably late.***

As a student enrolled in CSE 5301, I have read and understood the exam policy described above
